Marina Bay donates sailboat to K-Sail

After reviewing a proposal for the K-Sail program, Marina Bay Marina-Resort donated a 28 foot Colombia sailboat, which had been left homeless at their dock, to Metrix Research Group. The boat was to be used as a life-skills training site for kids to learn to succeed in their future. HOPE South Florida, Broward county's entry point for families experiencing homelessness, partnered with Metrix to set up and operate the program.

K-Sail is starting up its sailing program again in 2016. Any volunteers from our marina would be greatly appreciated to assist these youngsters. **Contact 954 328 1282. ❖**
