# Take a Hero Fishing Tournament

The Fishing Tournament was a big success! This tournament was posted last month in our newsletter for veterans to be able to spend the day fishing off Fort Lauderdale in conjunction with FLEET WEEK at Port Everglades. Over 100 participated and had many donors to support the day from Budweiser to our local marinas. We are looking forward to next year here at Marina Bay.

For more information or to donate your time and boat for the next year's event please contact:

The month of June is exciting for many reasons for sports fans. However, for the first time in four years our Miami HEAT will not partake in the NBA Finals which will take place this month. In addition, this month the Stanley Cup will be given out to the Hockey Champions and the month rounds out with the start of the most watch Professional Tennis tournament from over the pond, Wimbledon.

June will also be an important month on the Baseball diamond as teams begin to separate themselves in an effort to clinch a playoff spot for the 2015 MLB Playoffs. Thus far our Miami Marlins have been up and down but the fact that Stanton has begun to play like himself has Marlins fans excited about the summer months.
