KIDS SAILING INTO THEIR FUTURE, BOAT DONATED BY MARINA BAY.

Marina Bay loves to provide opportunities for kids. What a great way for homeless kids to get a lift in life. We help children stuck in that life-style with the skills and lessons learned through sailing.

The past few weeks the kids learned about the environment and the sailing basics, the next trip will be out on the open waters.

A great time was had by all at our Networking Party.
We had a great turnout. Our own Marina Bay Chef Dennese made a wonderful buffet. Everyones favorite was the fresh grilled steak tips and potatoes. Yummy. Of course all of her food are always a hit.
West Marine and Port Supply of Ft Lauderdale were so generous to join us and they had so many wonderful giveaways for our guests.
